Our Mission Is Comprehensive Care

All patients deserve a comprehensive examination of the entire masticatory system: teeth, gums and temporomandibular joint (TMJ). Our goal in providing this exam is to help our patients achieve complete oral health and maintain it for a lifetime.

To that end, our team is dedicated to the constant pursuit of education in order to continually improve our knowledge and skills relevant to the practice of complete dentistry. We will strive to stay current on the latest techniques, treatments and materials to comfortably provide you with the highest quality dental care possible.

From the moment you walk into our office, you will receive the highest levels of personalized care. Dr. Kalochie will give you her undivided attention at every appointment, ensuring your treatments adhere to the highest safety and quality standards in the field. This one-on-one care helps build long-lasting relationships with her patients. For this reason, Dr. Kalochie has become the dental provider of choice for many Bucks County families.

Dr. Kalochie's passion for dentistry shows through in every aspect of her care, from the many amenities offered at her office to the meticulous manner in which she administers your treatments and creates your restorations. Your oral health needs and aesthetic goals always come first, and Dr. Kalochie will spend as much time as needed to ensure that she exceeds your expectations.
